

## Service Kits

The service kits contain all required parts for the maintenance interval according to the factory requirements. The use of the L&W service kits ensure that all required parts are ordered and be replaced and gives you the assurance that all parts are included in your order. The service kits include, depending on the model and interval parts such as O-Rings, Sinter Filter, Intake Filter, Silencers, In-& Outlet Valve, Valve Seals and Compressor oil.

**Note: The service kits do not include V-belts.**

Compressor	Year of construction	Order Number / Working Hours		
		1000 h	2000 h	4000 h
LW 150 ES / LW 200 ES	-	011840	011841	-
LW 230 ES / LW 280 ES / LW 320 ES	-	004970	003920	-
LW 230 ES II / LW 280 ES II / LW 320 ES II	04/2023 - 02/2024	012469	012470	-
LW 230 ES II / LW 280 ES II / LW 320 ES II	from 03/2024	012869	012870	-
LW 300 ES	-	003841		003834
LW 300 ES II / LW 450 E II	until 06/2016	008619	-	008620
LW 300 ES II / LW 450 E II	from 07/2016	009718	-	009719
LW 300 ES III / LW 450 E III	until 09/2017	009718		009719
LW 300 ES III / LW 450 E III	from 10/2017	009718		010444
LW 450 ES	until 06/2016	003841		003834
LW 450 ES	from 07/2016	003841		009677
